No.	Name	Type	Amount	Class of Persons Eligible	Methodology for awarding	Additional Information
1.	Promises2Kids Guardian Scholar Scholarship	Scholarship	Full scholarship, including tuition, books, and technology fee waiver. Applicable to undergraduate degrees.	Promises2Kids is a leading nonprofit organization that provides current and former foster youth in San Diego County with the tools, opportunities, and guidance they need to address the circumstances that brought them into foster care, overcome the difficulties of their past, and grow into healthy, happy, and successful adults. Promises2Kids supports these children through four core programs: Polinsky Children's Center, Camp Connect, Guardian Scholars, and Foster Funds. Eligibility requirements are determined by Promises2Kids. The scholarship recipient must be continuously enrolled at Ashford University or on an approved break during his/her enrollment at Ashford University to maintain scholarship eligibility at Ashford University.	Former foster youth who are interested in pursuing higher education apply for the Guardian Scholarship through Promises2Kids. Recipients are chosen by Promises2Kids and communicated to Ashford University to award the scholarship. Historically, one recipient per year has been awarded by Ashford. 2.	Homefront Heroes Scholarship	Scholarship	Full scholarship, including tuition, books, and technology fee waiver. Applicable to undergraduate degrees.	The Scholarship Program is open only to spouses or surviving spouses of active duty military, Coast Guard, Department of Defense employees, National Guard members, reserves or veterans who are: (a) legal residents of the United States of America and San Diego County, California, including zip codes ranging from 91901 to 92200 only; (b) at least eighteen (18) years of age or older as of the date of entry; and (c) have a high school diploma or GED. Void where prohibited or restricted by law. Employees of Ashford University, Ashford's affiliates, subsidiaries, parent and related companies and agents, and members of the immediate family and/or household of any such employee, are not eligible. Current students of Ashford University are eligible to apply, and any award will be applied toward future classes only. The scholarship recipient must be continuously enrolled at Ashford University or on an approved break during his/her enrollment at Ashford University to maintain scholarship eligibility.	A total of five (5) recipients will be selected by a scholarship committee designated by Ashford University (the "Judges"). The Judges will score each Applicant's essay based on the following criteria, weighted equally: relevance to the topic; originality; and overall impression. In the event of a tie, the tied Applicant with the higher "overall impression" score, as determined by the Judges, will be selected as the recipient. The Judges' decisions are final and binding in all respects. 7.	Bridge Grant	Grant	Amount varies per student. Calculated by taking the Direct Cost minus financial aid eligibility.	Undergraduate degree seeking students that matriculate with a start date in March or April, 2018 may be eligible if they meet the following conditions: 1) Complete a FAFSA and any required verification steps within 30 days from the students start date; 2) Have unmet direct costs when calculating need at maximum eligibility of financial aid (based on an independent student with no aggregate loan limit constraints or overlapping loans); 3) Successfully complete four courses in 26 weeks for each payment period (the first payment period must be completed successfully in order to remain eligible for the second payment period); and 4) Maintain good academic standing.	The Bridge Grant amount is calculated by taking the Direct Cost minus financial aid eligibility (with a maximum award of \$3,682 in the academic year). Direct Cost is the cost of tuition, course digital material, and technology fee (note: this does not include state tax). Loan origination fees are also taken into consideration in this calculation. Financial aid eligibility amount is calculated based on an independent student with grade level based on the number of transfer credits received, reviewed, and applied by Ashford University to their program of study.
